IMMEDIATE PRESS RELEASE

Kawasaki Teryx KRX® 1000 Tour Brings the Good Times™ this Summer

Experience Kawasaki’s New Sport Side x Side Lineup at the 2022 Teryx KRX® 1000 Tour

Foothill Ranch, Calif. – Kawasaki Motors Corp., U.S.A. is thrilled to announce the Teryx KRX® 1000 Tour will be returning across the country this summer attending the off-road industry’s largest events. The nationwide experiential tour will take place at select locations including many of the country’s largest offroad and side x side rallies. Attendees will be one of the first to get behind the wheel and drive the all-new [2023 Teryx KRX®4 1000 side x side](#).

"The Teryx KRX® 1000 Tour welcomes the all-new Teryx KRX®4 1000 to its lineup of Good Times™ at side x side events and rallies across the nation for 2022," said Vice President Marketing & Racing, Chris Brull. "Each stop of the tour will provide participants a firsthand experience of the power, performance, capability and comfort of the Teryx family. The incredibly versatile lineup has something to offer for all individuals and families."

The 2022 tour kicked off last month at Monster Jam in Nashville, Tennessee and Cleveland, Ohio and continues cross-country attending many of the best riding destinations and side x side rallies the United States has to offer such as UTV Takeover, Brimstone Paragon and Trail Hero SxS Rally.

In addition to the adrenaline-pumping side x side events, participants will experience the thrill of navigating through multiple obstacles aboard the all-new Teryx KRX®4 1000 four-passenger sport side x side as well as the widely-popular Teryx KRX® 1000 two-passenger sport side x side and learn first-hand how these game-changing machines are built to outmuscle the most challenging terrain.

Kawasaki Teryx KRX® 1000 Tour Schedule

The Teryx KRX 1000 Tour will run through 2022. To stay up to date on the latest information, upcoming dates, and locations, please visit: <https://www.kawasaki.com/Experience/Events>.

ABOUT KAWASAKI

Kawasaki started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki Motors, Ltd. is committed to maintaining and furthering these strengths which will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com.
