

## KAWASAKI BECOMES EXCLUSIVE CURTIS STEEL CAB DISTRIBUTOR FOR MULE™ PRO

***Curtis Steel Cabs Available Exclusively from Kawasaki Dealers for MULE PRO-FX™, MULE PRO-FXT™, MULE PRO-DX™, and MULE PRO DXT™ Side-by-Sides***

**Foothill Ranch, Calif.** – Kawasaki Motors Corp., U.S.A. (KMC) is now the exclusive U.S. distributor of Curtis steel cabs for select MULE™ PRO series models. These highly durable cab enclosure systems provide even more comfort for MULE owners by protecting them from the elements.

“Curtis Industries, LLC is a long-time Kawasaki partner and this announcement provides even more strength in that relationship,” said Kawasaki Senior Vice President, Sales & Operations Bill Jenkins. “These Curtis steel cabs are built with the utmost quality and their durability matches the Kawasaki STRONG MULE PRO series.”

The Curtis cabs are made in the USA and feature a total weather seal design, a venting hardened polycarbonate or glass windshield and safety glass door sliders that can be removed quickly to increase airflow. They also come with gas-shock supported lockable doors that provide smooth opening, an acoustic headliner, and a wide range of optional accessories.

Customers can order their Curtis steel cab from their local Kawasaki dealer and visit [www.kawasaki.com](http://www.kawasaki.com) for complete product details, specifications, and browse additional steel cab accessories.

### **ABOUT KAWASAKI**

Kawasaki Heavy Industries, Ltd. (KHI) started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki's commitment to maintaining and furthering these strengths will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and Jet Ski® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.
