NEW MODEL PRESS RELEASE

2022 KAWASAKI TERYX® AND TERYX4™ SIDE X SIDES YOUR WORLD. YOUR ADVENTURE.

The Kawasaki Teryx® and Teryx4™ family of recreation side x sides returns ready for adventure with 2022 models. Assembled in Lincoln, Nebraska with domestic and imported parts, the 2-passenger Teryx and 4-passenger Teryx4 side x sides are versatile enough to provide thrills for the whole family while on the trails. The Teryx and Teryx4 side x sides come with plenty of torque and 1,300 pounds of towing capacity and equipped with standard Electric Power Steering (EPS). The recently introduced Teryx® S LE and Teryx4™ S LE side x sides return for 2022 and feature long travel suspension with FOX® shocks tuned to Kawasaki's proprietary suspension settings to help navigate aggressive trails. The longer A-arms on the Teryx S LE and Teryx4 S LE models are designed with a more pronounced curvature in order to give the user more overall ground clearance and take comfort and capability to the next level while on your next adventure.

With aggressive styling, versatile 783cc V-twin engine and FOX shocks, the Teryx and Teryx4 side x sides are ready to tackle any terrain. The Teryx and Teryx4 side x side lineup is capable, comfortable, durable and backed by the Kawasaki STRONG 3-Year Limited Warranty. Kawasaki Teryx and Teryx4 side x sides offer strength, comfort, power, and convenience and reliability that make them versatile machines no matter what is asked of them.

ABOUT KAWASAKI

Kawasaki Heavy Industries, Ltd. (KHI) started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki's commitment to maintaining and furthering these strengths will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com
