NEW MODEL PRESS RELEASE

2022 KAWASAKI SPORT TOURING MOTORCYCLES CONQUER YOUR JOURNEY WITH TWO SPORT TOURING FAVORITES

The 2022 Kawasaki Ninja® 1000SX and Concours® 14 ABS motorcycles are ready to take on the next set of winding roads with power and grace, bringing excitement and fun to your next sport-touring ride.

Ninja® 1000SX

The 2022 Kawasaki Ninja 1000SX is back with its refined sport-touring capabilities, combining the power of a supersport motorcycle with the feel of a comfortable upright sport motorcycle and the sporty styling that the Ninja® line of motorcycles are known for.

Rider aides like Electronic Cruise Control and Integrated Riding Modes that combine KTRC and Power Modes are a plus, and compatibility with the Kawasaki RIDEOLGY THE APP make it a must-have for any devoted touring rider. The Ninja® 1000SX features a powerful 1,043 cc liquid-cooled, four-stroke in-line four-cylinder engine, Kawasaki TRaction Control (KTRC) and Kawasaki Intelligent Anti-Lock Braking System (KIBS), Kawasaki Quick Shifter (KQS), 4.3" all-digital TFT color instrumentation and electronic cruise control. This year's model will be offered in Metallic Matte Graphenesteel Gray with an MSRP of \$12,899.

Concours®14 ABS

The Kawasaki Concours14 ABS motorcycle features the heart of a Ninja® ZX™-14R sportbike and adds superior performance, advanced technology, and premium features for the ultimate sport touring experience. The Concours14 ABS comes with the confidence of a 36-month limited warranty and features a 1352cc in-line four-cylinder engine with Variable Valve Timing (VVT), Kawasaki Advanced Coactive Braking Technology (K-ACT) ABS system, electrically adjusted windshield, standard hard saddlebags, and a rigid monocoque frame, and is available in Metallic Spark Black with an MSRP of \$15,999.

**RIDEOLGY THE APP is not intended for use during vehicle operation. Only use RIDEOLGY THE APP when the vehicle is not being operated and it is safe to do so.*

ABOUT KAWASAKI

Kawasaki Heavy Industries, Ltd. (KHI) started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki's commitment to maintaining and furthering these strengths will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com.
