## NEW MODEL PRESS RELEASE

# 2022 Teryx KRX® 1000 Sport Side X Side Lineup **YOUR WORLD. YOUR ADVENTURE.**

For 2022, the Kawasaki Teryx KRX® 1000 sport side x side lineup is back and ready to take on any adventure. As some of the most durable and reliable machines in the sport side-by-side category, the 2022 Teryx KRX 1000 lineup is built Kawasaki Strong to take on the world's toughest trails.

In addition to the class-leading Teryx KRX 1000, Kawasaki will once again return with the Teryx KRX® 1000 Trail Edition and Teryx KRX® 1000 Special Edition models with factory-equipped accessories and special color and graphics to offer a broader selection for adrenaline-filled adventure enthusiasts.

### **Kawasaki Teryx KRX® 1000**

The Kawasaki Teryx KRX 1000 sport side-by-side is engineered for high adrenaline adventures and conquering tough terrain. Powered by a durable 999cc parallel twin engine, paired with a CVT transmission and centrifugal clutch, the Teryx KRX 1000 has the power to tackle a whooped-out trail and the torque to conquer technical rock crawling sections. It features on-the-fly electronically selectable 4WD and front differential lock as well as two power modes (Full and Low) that allow the driver to set power delivery to suit preference and conditions. A high-rigidity frame with integrated Roll Over Protection Structure (ROPS) positions the wheels as far apart as possible to provide a sure-footed stance, superb cornering and straight-line stability. Obstacles on the trail are soaked up by FOX 2.5 Podium LSC shock units, which combined with long suspension arms give the Teryx KRX 1000 the longest suspension travel in its class. Large 31-inch MAXXIS Carnivore tires were chosen to ride over small obstacles with greater ease, while 15-inch aluminum wheels feature bead-lock rims to hold the tires in place in off-road riding situations. A roomy cockpit features half doors and adjustable high-back bucket seats to deliver outstanding rider comfort no matter the terrain. A large all-digital instrumentation screen offers at-a-glance information to the driver including a CVT temperature readout and low voltage warning lamp. The roomy, rear carrier space is large enough to accommodate up to a 32-inch spare tire with a load capacity of 350 pounds. Every aspect of the Teryx KRX 1000 has been engineered with Kawasaki's dependable, proven performance to outmuscle anything that stands between you and an adventure of a lifetime. The 2022 Teryx KRX 1000 is available in Lime Green / Metallic Onyx Black and Sunbeam Red / Metallic Onyx Black color schemes with an MSRP of \$20,499.

## Kawasaki Teryx KRX® 1000 Special Edition

The highly dependable and attention grabbing Teryx KRX 1000 Special Edition sport side-by-side features a high-grade, award-winning Hifonics® audio system bringing the “Power from the Gods” to the trails. Complete with 6.5” door speakers and a 12” subwoofer, it offers incredible sound that can be heard – and felt. The compact stereo unit is built into the center console, giving the dash a well-integrated appearance with a new LED screen. The unit is a Bluetooth®/AM/FM/ 600 watt five-channel stereo featuring a high-contrast color LED screen that can display album art. Apple Control enables compatible Apple devices to be controlled by the stereo. A WARN® VRX 45 Powersport Winch is fit as standard equipment and has 50’ of durable, aircraft grade 1/4” steel rope backed by a 4,500 lb. capacity. The 2022 Teryx KRX1000 Special Edition is available in a Turquoise / Metallic Onyx Black color scheme which includes a black base complemented by black a-arms and silver-colored suspension coil springs. High-impact graphics add to attention-grabbing styling that drivers will be happy to show off. The Teryx KRX 1000 Special Edition comes with an MSRP of \$22,999.

## Kawasaki Teryx KRX® 1000 Trail Edition

Built with the same high-performance features found on the Teryx KRX 1000, the Teryx KRX 1000 Trail Edition sport side-by-side comes equipped with both front and rear sport bumpers, as well as nerf bars on the sides, all of which add to the aggressive appearance while increasing protection to the vehicle from obstacles encountered on the trail. A QQR™ Sport Roof (featuring quick release capabilities) comes as standard equipment on the Teryx KRX 1000 Trail Edition and helps to shelter passengers from harsh weather and sun. It also features pre-configured mounts that allow for the addition of up to six accessory LED dome lights. A WARN® VRX 45 Powersport Winch is fit as standard equipment and has 50’ of durable, aircraft grade 1/4” steel rope backed by a 4,500 lb. capacity. The Teryx KRX 1000 Trail Edition is available in a Fragment Camo Gray immersion graphics finish including ROPS, nerf bars, and a-arms finished in texture neon yellow and paired with silver-colored suspension coil springs to provide a high-contrast counterpoint to the black base coloring. High-definition graphics contribute to the no-nonsense styling. The 2022 Teryx KRX 1000 Trail Edition comes with an MSRP of \$23,499.

## **ABOUT KAWASAKI**

Kawasaki Heavy Industries, Ltd. (KHI) started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki's commitment to maintaining and furthering these strengths will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at [www.kawasaki.com](http://www.kawasaki.com).
