## NEW MODEL PRESS RELEASE

# 2022 KAWASAKI Z H2 AND Z H2 SE MOTORCYCLES SUPERCHARGE

The Kawasaki Z H2 and Z H2 SE hypernaked motorcycles are making their return to the streets in 2022, offering the same unmatched powerful technology and unique features as their predecessors.

### Z H2

Kawasaki's legacy of creating motorcycles that have unrivaled performance, excitement, and Sugomi™ styling continues with the Kawasaki Z line of naked motorcycles, the 2022 Z H2 supercharged hypernaked. The 2022 Z H2 features a 998cc liquid-cooled, in-line four-cylinder balanced supercharged engine, effortless dog-ring transmission, specifically designed lightweight trellis frame, IMU electronics package, high-performance Showa suspension components, Brembo® Monobloc brake calipers, Kawasaki Quick Shifter (KQS), Kawasaki Launch Control Mode (KLCM), Kawasaki Cornering Management Function (KCMF), Electronic Cruise Control, Integrated Riding Modes, Assist & Slipper Clutch, all digital TFT Color instrumentation, Smartphone Connectivity via RIDEOLGY THE APP, and all LED Lighting. For 2022, the Z H2 comes in Metallic Graphite Gray / Metallic Diablo Black, with an MSRP of \$18,000.

### Z H2 SE

The Z H2 SE enters its sophomore year in the hypernaked market, offering the same great features that come standard on the Z H2. Adding to the already polished base package is the Kawasaki Electronic Control Suspension (KECS) with Skyhook EERA Technology which adapts to road and riding conditions in real-time, providing the ideal amount of damping by combining high-level mechanical components with the latest electronic control technology, giving the rider a smoother ride as it continually adapts to the road surface in real-time. Superior engine power requires matched stopping power, and the 2022 Z H2 SE will once again come with Brembo® Stylema Monobloc brake calipers, a Brembo front brake master cylinder, and steel-braided lines, offering riders strong braking performance and enhanced control. This year, the Z H2 SE will be offered in Metallic Diablo Black / Golden Blazed Green, with an MSRP of \$20,200.

## ABOUT KAWASAKI

Kawasaki Heavy Industries, Ltd. (KHI) started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki's commitment to maintaining and furthering these strengths will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles.
