NEW MODEL PRESS RELEASE

2024 KAWASAKI TERYX® AND TERYX4™ SIDE X SIDES THE ULTIMATE OFF-ROAD ADVENTURE PARTNER

The Kawasaki Teryx® and Teryx4™ family of recreation side x sides return ready for adventure with 2024 models. Assembled in Lincoln, Nebraska with domestic and imported parts, the 2-passenger Teryx and 4-passenger Teryx4 side x sides are versatile enough to provide thrills for the whole family while on the trails. The Teryx and Teryx4 side x sides come with plenty of torque and towing capacity and are equipped with standard Electric Power Steering (EPS).

The recently introduced the Teryx and Teryx4™ S side x side models return for 2024 featuring 783cc V-twin engine, speed-sensitive electronic power steering (EPS), FOX® 2.0 LSC piggyback shocks, 1,300 lb. towing capacity, and Kawasaki STRONG 3-Year Limited Warranty. Kawasaki Teryx and Teryx4 side x sides offer strength, comfort, power, and convenience and reliability that make them versatile machines no matter what is asked of them.

STRAP are registered trademarks of Warn Industries, Inc.

TERYX® / TERYX4™

With aggressive styling, a 783cc engine and FOX shocks, the Teryx and Teryx4 side x sides are ready to tackle any terrain. Both the 2-passenger Teryx and 4-passenger Teryx4 are capable, comfortable, durable, and backed by the Kawasaki STRONG 3-Year Limited Warranty. The Teryx and Teryx4 side x side offer plenty of torque and an impressive 1,300 pounds of towing capacity and are equipped with Electronic Power Steering (EPS).

TERYX® S LE / TERYX4™ S LE

In addition to the great characteristics and components found on the standard Teryx and Teryx4 models, the Teryx S LE and Teryx4 S LE side x sides feature long-travel suspension with FOX® 2.0 LSC piggyback shocks that are tuned to Kawasaki's proprietary suspension settings to help navigate trails. The longer A-arms on these models are designed with a more pronounced curvature to give the user maximum ground clearance (12.2 inches) and take comfort and capability to the next level while on your adventure with 10.7 inches of suspension travel.

TERYX4™ S SE / TERYX4 S CAMO

Based off the capable and dependable Teryx4 S LE platform, the returning Teryx4 S SE takes adventure to the next level. Featuring a high-grade audio system with a large LCD screen, WARN® VRX 35 Powersport winch and special colors and graphics with a painted front bumper and three-tone seat cover, the Teryx4 S SE provides style and thrills for the whole family while on the trails.

The Teryx4 S Camo comes in a new camouflage pattern, with the True Timber Strata pattern giving a fresh look to the model.

ABOUT KAWASAKI

Kawasaki started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki Motors, Ltd. is committed to maintaining and furthering these strengths which will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates

employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com
