KAWASAKI ANNOUNCES FALL RELEASE OF 2025 STREET MOTORCYCLES

No matter what type of motorcycle you're looking for, Kawasaki's 2025 lineup has the model for you as it welcomes the return of several hypersport, supersport, sport, retro classic, hypernaked, supernaked, mini naked, retro sport, cruiser, adventure touring, and dual-sport models to its street motorcycle lineup. These 2025 model-year motorcycles are set to arrive in Kawasaki dealerships during the fall months so that riders can continue to "Let the Good Times Roll®."

HYPERSPORT

NINJA H2® ABS / NINJA H2® CARBON ABS

The Ninja H2® ABS and Ninja H2® Carbon ABS motorcycles are pure street-legal hypersport performance. Featuring a 998cc inline four-cylinder engine, proprietary supercharger, lightweight trellis frame, compact superbike dimensions, aerodynamic bodywork, and a rigid single-sided swingarm. Both models feature high-spec Brembo Stylema® brake calipers, Kawasaki Quick Shifter (KQS), Kawasaki TRaction Control (KTRC-9 modes) and Kawasaki's highly durable self-healing paint. In the cockpit, a TFT (thin-film transistor) color instrumentation display with four selectable display modes can be found, as well as Bluetooth® Smartphone Connectivity via RIDEOLGY THE APP*. Bringing all this power and technology to the pavement are Bridgestone RS11 tires. The Ninja H2 Carbon ABS was developed as a special, limited-edition model that features beautiful, strong, and lightweight carbon fiber front bodywork and special insignia.

2025 NINJA H2® ABS

Color: Mirror Coated Spark Black

MSRP: \$32,700

2025 NINJA H2® CARBON ABS

Color: Mirror Coated Matte Spark Black /
Candy Flat Blazed Green

MSRP: \$36,200

NINJA H2®R ABS

The development of the Ninja H2®R ABS goes beyond the boundaries of any other Kawasaki motorcycle. 'Built Beyond Belief', the world's only limited production supercharged hypersport model represents the unbridled pinnacle of Kawasaki engineering, with astonishing acceleration and mind-bending top speed suitable only for closed course circuits. The Ninja H2R features a 998cc inline four-cylinder engine, proprietary supercharger, lightweight trellis frame, compact superbike dimensions, carbon fiber aerodynamic devices, fully adjustable high-performance racing suspension and a rigid single-sided swingarm. This closed-course-only motorcycle also features Kawasaki Launch Control Mode (KLCM), Brembo Stylema® monobloc calipers, Öhlins rear shock, highly durable self-healing paint and sits at the head of the class in advanced electronics and technological development.

2025 NINJA H2®R ABS

Color: Mirror Coated Matte Spark Black

MSRP: \$59,100

NINJA H2® SX SE ABS

The Kawasaki Ninja H2® SX SE ABS brings the latest in electronically controlled suspension, braking, and rider aid technologies to the supercharged hyperbike platform, making it the ultimate sport touring package. It's powered by an exhilarating, balanced supercharged 998cc inline four-cylinder engine that is paired with impressive features such as a 6.5" TFT color instrumentation, Advanced Rider Assist System (ARAS), Adaptive Cruise Control (ACC), Forward Collision Warning (FCW), Blind Spot Detection (BSD), Tire Pressure Monitoring System (TPMS), Vehicle Hold Assist (VHA), Kawasaki Electronically Controlled Suspension (KECS), Brembo® front brakes, Kawasaki Intelligent Proximity Activation Start System (KIPASS), and Auto Hi-Beam (AHS). This highly refined package offers an unrivaled level of performance and comfort, with agile handling akin to its superbike counterparts.

2025 NINJA H2® SX SE ABS

Color: Emerald Blazed Green / Metallic Diablo Black / Metallic Matte Graphenesteel Gray

MSRP: \$29,100

The order period for the 2025 Ninja H2R ABS, Ninja H2 ABS, Ninja H2 Carbon ABS, and Ninja H2 SX SE ABS is open starting October 1, 2024.

SUPERSPORT

NINJA® ZX™-4R ABS / NINJA® ZX™-4RR ABS / NINJA® ZX™-4RR KRT EDITION ABS

Kawasaki redefined the 400cc supersport category with the arrival of the Ninja® ZX™-4R and Ninja® ZX™-4RR motorcycles. This circuit-focused motorcycle combines real-world road enjoyment and track riding potential while providing the rider the satisfaction of being able to ride with confidence. The Ninja ZX-4R boasts a powerful 399cc in-line four-cylinder engine that produces music to the ears with its high-performance audible signal – helping it stand out from the competition. Its lightweight trellis frame is compact and nimble for exciting cornering performance, while 290mm dual front disc brakes and a high-performance 37mm Showa SFF-BP front fork as well as horizontal back-link rear suspension have been fitted to ensure that the Ninja ZX-4R breeds performance from the ground up. Other premium features include a 4.3" TFT color instrumentation with smartphone connectivity, integrated riding modes that link Kawasaki TRaction Control (KTRC) and Power Modes, and aggressive Ninja® ZX™ family styling that make it clear this is a high-performance supersport model. The Ninja ZX-4RR takes performance even further with the addition of dual-direction Kawasaki Quick Shifter (KQS), a higher-grade Showa front fork with adjustable spring preload, and a Showa BFRC Lite rear shock.

ABOUT KAWASAKI

Kawasaki started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki Motors, Ltd. is committed to maintaining and furthering these strengths which will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. Kawasaki and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at Kawasaki's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the Good Times Roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com.
