# 2025 KAWASAKI JET SKI® STX® 160 SERIES PERSONAL WATERCRAFT

## THE ONLY ONE FOR GOOD TIMES

For more than 50 years, Kawasaki has led the way for delivering good times and unmatched performance on the water with the [Jet Ski®](#) personal watercraft lineup. 2025 welcomes the return of Kawasaki's popular Jet Ski® STX® 160 series watercraft, including the Jet Ski® STX® 160X and flagship Jet Ski® STXR® 160LX models. These models are set to hit Kawasaki dealerships beginning in the Winter of 2025.

### JET SKI® STX® 160 SERIES

The Jet Ski® STX®160 series is powered by a DOHC, 16-valve, parallel 4-cylinder and 1498cc engine. It utilizes a balanced hull, ergonomic riding position, large fuel tank and storage compartment, along with several easy-to-use rider aid functions to create a comfortable and exciting three-seat personal watercraft that appeals to a wide range of riders. In addition to the STX 160's standard features, the Jet Ski® STX®160X features adjustable electronic cruise control speed, which can be set with the UP/DOWN buttons located on the handlebar. It also features a comfortable handle grip that tapers outward, making it easier to hold on when riding in a straight line and a premium painted deck. The 2025 three-passenger Jet Ski STX 160X is available in a Crystal White/Ebony colorway.

The Jet Ski® STX®160LX flagship model includes the JETSOUND® integrated audio system with smartphone connectivity as standard equipment. The system consists of an amplifier, an audio controller built into the handle, and two speakers placed under the mirrors. It also features a two-tone dedicated deck mat and LXury seat designed to ergonomically fit the rider's body to further improve comfort. Similar to the STX160X, it comes equipped with a comfortable handle grip, adjustable cruise control speed via the UP/DOWN buttons and a premium painted deck with full graphics. The three-passenger 2025 Jet Ski STX 160LX is available in a Ebony/Neon Red colorway.

## **ABOUT KAWASAKI**

Kawasaki started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki Motors, Ltd. is committed to maintaining and furthering these strengths which will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. Kawasaki and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at Kawasaki's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the Good Times Roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at [www.kawasaki.com](http://www.kawasaki.com).
