2025 KAWASAKI MULE PRO-DX™ EPS

KAWASAKI STRONG

For 2025, Kawasaki returns with the diesel-powered [MULE PRO-DX™ EPS Diesel](#). The MULE PRO diesel-powered series is perfect for any ranch, job site, farm or fleet. Designed to work hard, the MULE PRO-DX EPS Diesel features a 993cc diesel engine, a one-ton towing capacity, and the largest cargo bed in its class. It also features Kawasaki's Electronic Power Steering to help with slow speed maneuvering while working.

The MULE PRO-DX EPS is built with a tough chassis that provides a smooth ride through the use of independent suspension, front and rear. The suspension provides a generous 8.7" of travel and excellent ground clearance.

To top it off, all Kawasaki MULE side x sides are confidently backed by the Kawasaki STRONG 3-Year Limited Warranty.

ABOUT KAWASAKI

Kawasaki started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki Motors, Ltd. is committed to maintaining and furthering these strengths which will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. Kawasaki and its affiliates employ

nearly 3,100 people in the United States, with approximately 260 of them located at Kawasaki's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles.
