NEW MODEL PRESS RELEASE

2026 KAWASAKI MULE PRO-FXR™ 1000 AND MULE PRO-FXT™ 1000 SIDE X SIDE LINEUP

KAWASAKI STRONG

For more than 30 years, Kawasaki MULE™ side x sides have been notorious for their exceptional performance in both work and recreation. The Kawasaki MULE™ PRO series lineup represents the peak of Kawasaki engineering, offering one of the fastest and most powerful models ever created, available in both single-row and two-row configurations. Designed to tackle any challenge, the MULE PRO series outrivals at transporting passengers and cargo, whether you're on the job site or hitting the trail.

MULE PRO-FXT™ 1000 PLATINUM RANCH EDITION

The MULE PRO-FXT™ 1000 Platinum Ranch Edition stands out with a high-end Metallic Deep Red paint and standard LED headlights. The grille cover is color-matched to the bodywork, while brush and headlight guards enhance its rugged look. Interior upgrades include soft leatherette seats with embroidered logos, front and rear shoulder guards, a rear grab bar matching the seat material, and a premium rearview mirror. Three-dimensional Platinum Ranch Edition emblems adorn the front fenders and cast aluminum wheels with a machined finish to complete the refined look. Additional features include Kawasaki's self-leveling rear suspension, a rear bumper for extra protection, and a WARN® VRX 45 winch with the same durable 50 feet of ¼-inch steel rope and 4,500 lb. capacity, along with the convenient Trans Cab™ system.

MULE PRO-FXT™ 1000 LE RANCH EDITION

The MULE PRO-FXT™ 1000 LE Ranch Edition comes equipped with a distinctive Metallic Phantom Silver paint and matching grille cover. Premium touches include cast aluminum wheels with a machined finish and MULE PRO-FXT 1000 LE Ranch Edition emblems on the front fenders. It has Kawasaki's self-leveling suspension and a WARN® VRX 45 winch with 50 feet of aircraft-grade ¼-inch steel rope and a 4,500 lb. capacity.

MULE PRO-FXT™ 1000 LE and MULE PRO-FXT™ 1000 LE Camo

The MULE PRO-FXT™ 1000 LE is a versatile, full-sized side x side featuring Kawasaki's innovative 3-to-6-passenger Trans Cab™ system. Designed with heavy-duty tasks in mind, this robust vehicle effortlessly handles both substantial loads and transporting a full crew. It boasts black cast aluminum wheels for a touch of sophistication. In its three-passenger mode, the cargo bed measures 42.7 x 53.6 x 10.9 inches and supports up to 1,000 lbs. In six-passenger mode, the bed measures 22.0 x 53.6 x 10.9 inches with a capacity of 350 lbs. The MULE PRO-FXT™ 1000 LE Camo variant includes all the features of the standard model plus a unique TRUETIMBER® STRATA color scheme.

MULE PRO-FX™ 1000 HD Edition

The MULE PRO-FX™ 1000 HD Edition is a robust, high-capacity side x side designed to handle the toughest tasks with ease. Featuring three spacious seats and a long cargo bed, it combines reliable power with outstanding comfort for both work and leisure. This rugged vehicle is equipped with a rear bumper for added protection, Kawasaki's innovative self-leveling suspension system, and a tilting cargo bed with a convenient switch-operated hydraulic lift. The cargo bed measures 54.1 x 53.3 x 11 inches and supports up to 1,000 lbs., with the lift switch conveniently located on the left side below the bed.

MULE PRO-FXR™ 1000 and MULE PRO-FXR™ 1000 LE

The Kawasaki MULE PRO-FXR™ 1000 enhances the renowned ruggedness of the MULE PRO series for trail adventures, offering a unique blend of comfort, performance, and bold styling. With its compact design, powerful 999cc engine, and three-passenger seating, the MULE PRO-FXR 1000 is built to tackle tough tasks and deliver thrilling rides once the work is finished. Its cargo bed, measuring 37.5 x 53.3 x 11.0 inches, can handle up to 1,000 lbs. of cargo. In addition to all of the MULE PRO-FXR 1000 features, the MULE PRO-FXR™ 1000 LE comes with a painted grille cover that matches the bodywork and puts off a high-class image and black cast aluminum wheels that add a high-quality touch.

KAWASAKI GENUINE ACCESSORIES

Owners can personalize their MULE PRO to meet their needs, with over 90 Kawasaki Genuine Accessories to choose from, including new accessories like front and rear A-Arm guards, heater, WARN® VRX 45 and VRX 45-S winch kits, bed lift kit, LED headlight set, windshield washer and wiper harness, and returning accessories including a universal ignition switch, headlight and taillight guards, KQR cargo box, audio system and plow mount.

Several packages are also available, including utility packages and protection packages which include many of the great accessories listed above.

ABOUT KAWASAKI

Kawasaki started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki Motors, Ltd. is committed to maintaining and furthering these strengths which will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. Kawasaki and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at Kawasaki's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let The Good Times Roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles.
