NEW MODEL PRESS RELEASE

2026 KAWASAKI MULE PRO-FX™ 820 AND MULE PRO-FXT™ 820 SIDE X SIDES

KAWASAKI STRONG

For more than 30 years, Kawasaki MULE™ side x sides have been notorious for their exceptional performance in both work and recreation. The Kawasaki MULE PRO-FX™ 820 and MULE PRO-FXT™ 820 lineup represents the strength of MULE engineering, offering an 812cc three-cylinder engine, four-wheel independent suspension and one-ton towing capacity. These MULE vehicles are designed to tackle any challenge and are backed by the Kawasaki STRONG 3-Year Limited Warranty.

MULE PRO-FX™ 820 EPS

The MULE PRO-FX 820 EPS comes equipped with a powerful 812cc engine and cast aluminum wheels so you can carry bigger loads in confidence. The MULE PRO-FX 820 cargo bed measures 54.1 x 53.3 x 11 inches and supports up to 1,000 lbs., making it large enough to fit a standard size pallet.

MULE PRO-FXT™ 820 EPS

If accommodating a higher volume of passengers is on your list, the 2026 MULE PRO-FXT 820 EPS comes with all of the great features found on the MULE PRO-FX 820, with the added bonus of a second row that easily converts this MULE from a three-person to a six-person workhorse using the innovative Trans Cab™ system. Designed with heavy-duty tasks in mind, this robust vehicle effortlessly handles both substantial loads and transporting a full crew. In its three-passenger mode, the cargo bed measures 42.7 x 53.6 x 10.9 inches and supports up to 1,000 lbs. In six-passenger mode, the bed measures 22.0 x 53.6 x 10.9 inches with a capacity of 350 lbs.

KAWASAKI GENUINE ACCESSORIES

Owners can personalize their MULE PRO to meet their needs, with over 90 Kawasaki Genuine Accessories to choose from, including new accessories like front and rear A-Arm guards, heater, WARN® VRX 45 and VRX 45-S winch kits, bed lift kit, LED headlight set, windshield washer and wiper harness, and returning accessories including a universal ignition switch, headlight and taillight guards, KQR cargo box, audio system and plow mount.

Several packages are also available including utility packages and protection packages which include many of the great accessories listed above.

To top it off, all Kawasaki MULE side x sides are confidently backed by the Kawasaki STRONG 3-Year Limited Warranty.

ABOUT KAWASAKI

Kawasaki started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki Motors, Ltd. is committed to maintaining and furthering these strengths which will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. Kawasaki and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at Kawasaki's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the Good Times Roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com.
