Equipped with Kawasaki's most advanced electronics package and premium suspension components, Ninja H2™ motorcycles are Built Beyond Belief. The Ninja H2™ and Ninja H2™ Carbon bring the mind-bending power of Kawasaki's supercharged hypersport racer to the street. While the closed-course only Ninja H2™R delivers the most exhilarating experience on two wheels. Period. The 2021 Kawasaki Ninja H2R, Ninja H2, and Ninja H2 Carbon are available for order starting September 29 through November 20, 2020 through your local Kawasaki dealership.

### **Ninja H2™R**

The development of the Ninja H2™R goes beyond the boundaries of any other Kawasaki motorcycle. Crafted by Kawasaki Heavy Industries, Ltd. (KHI) Aerospace Company, the world's only limited production supercharged hypersport model represents the unbridled pinnacle of Kawasaki engineering, with astonishing acceleration and mind-bending top speed suitable only for the track. Featuring a 998cc inline four-cylinder engine, proprietary supercharger, lightweight trellis frame, compact superbike dimensions, carbon fiber aerodynamic devices, fully adjustable high-performance racing suspension and a rigid single-sided swingarm. This track- only motorcycle also features Kawasaki Launch Control Mode (KLCM), Brembo Stylema® monobloc calipers, Öhlins rear shock, highly durable self-healing paint and sits at the head of the class in advanced electronics and technological development. The 2021 Ninja H2R is available in Mirror Coated Matte Spark Black with an MSRP of \$55,500.

### **Ninja H2™ and H2™ Carbon**

The Ninja H2™ and Ninja H2™ Carbon motorcycles amount to pure street legal hypersport performance. Featuring a 998cc inline four-cylinder engine, proprietary supercharger, lightweight trellis frame, compact superbike dimensions, aerodynamic bodywork, and a rigid single-sided swingarm. Both models feature high-spec Brembo Stylema® brake calipers, Kawasaki Quick Shifter (KQS), Kawasaki Traction Control (KTRC-9 modes) and Kawasaki's highly durable self-healing paint. In the cockpit, a TFT (thin-film transistor) color instrumentation display with four selectable display modes, as well as Bluetooth Smartphone Connectivity (using RIDEOLGY THE APP\*). Bringing all this power and technology to the pavement are Bridgestone RS11 tires. The Ninja H2 Carbon was developed as a special, limited edition model that features beautiful, strong and lightweight carbon fiber front bodywork and special insignia. The 2021 Ninja H2 is available in Mirror Coated Spark Black with an MSRP of \$29,500, while the 2021 Ninja H2 Carbon is offered in Mirror Coated Matte Spark Black / Candy Flat Blazed Green with its clear coated raw carbon fiber fairing on display and an MSRP of \$33,000.

## ABOUT KAWASAKI

Kawasaki Heavy Industries, Ltd. (KHI) started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki's commitment to maintaining and furthering these strengths will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at [www.kawasaki.com](http://www.kawasaki.com).
